## has Completed a \$10 million Series B Equity Financing

Trax Technologies, Inc., based in Scottsdale, Arizona, recently completed a \$10 million Series B equity financing led by River Cities Capital Funds with participation from Capital Southwest. Trax provides software as a service (or SaaS) technology and managed services to help its customer process invoices for freight shipment and logistics services. Trax has been a portfolio company of Capital Southwest since 2008.

### **Capital Southwest**

Since Capital Southwest was formed in 1961, we have always sought to invest in companies with strong management teams and sound financial performance. As a public company, we are fortunate to have the flexibility to hold investments indefinitely. It is our dedication to this patient investment strategy that enables our portfolio companies to achieve their full potential.

Our extensive experience and our attentive, long-term investment strategy make us unique. As of December 31, 2012, we have \$628.2 million in net assets under management and are actively pursuing new investments.
